To the Shareholders

Dear Sirs or Mesdames

CIRCULAR ON GENERAL MANDATE TO ISSUE NEW SHARES AND REPURCHASE SHARES AND THE RE-ELECTION OF DIRECTORS

1. INTRODUCTION

The purpose of this letter is to provide Shareholders with information regarding the proposals to grant to the Directors of the Company, general mandates to issue and repurchase Shares and the Re-election of Directors at the 13th AGM. Set out in Appendix 1 of this circular is the Notice of the 13th AGM at which Shareholders will be requested to consider and, if they think fit, adopt resolutions in relation to the grant of general mandates to issue and repurchase Shares and certain other resolutions as ordinary businesses of the 13th AGM.

LETTER FROM THE BOARD

2. GENERAL MANDATE TO ISSUE SHARES

At the last Annual General Meeting of the Company held on 29 May 2006, the Directors were granted a general mandate to allot, issue and deal with additional Shares up to a maximum of 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the relevant resolution.

As part of the special businesses of the 13th AGM, Shareholders are asked to consider and if thought fit, to pass an ordinary resolution as set out in resolution 6 in the Notice of 13th AGM to renew the mandate to give the Directors power to allot, issue and deal with additional Shares with an aggregate nominal value not exceeding 20% of the share capital of the Company as at the date of passing of the resolution, which represents 21,023,256 Shares. As at the Latest Practicable Date, a total 105,116,280 Shares were in issue. Subject to Shareholders granting the Directors the general mandate to repurchase Shares as described below, Shareholders are also asked to extend the general mandate to issue Shares by an amount representing the aggregate nominal amount of the Shares repurchased by the Company under the general mandate to repurchase Shares such that the amount of Shares so repurchased does not exceed 7.31% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution.

3. GENERAL MANDATE TO REPURCHASE SECURITIES

At the last Annual General Meeting of the Company held on 29 May 2006, the Directors were granted a general mandate to repurchase securities of the Company up to an aggregate nominal value not exceeding 7.31% of the aggregate nominal amount value of Shares in issue as at the date of passing of the relevant resolution.

As part of the special businesses of the 13th AGM, Shareholders are asked to consider and if thought fit, to pass an ordinary resolution as set out in resolution 5 in the Notice of the 13th AGM to renew the mandate to give the Directors power to repurchase Shares up to an aggregate nominal value not exceeding 7.31% of the aggregate nominal value of Shares as at the date of passing of the resolution. Based on the 105,116,280 Shares issued as at the Latest Practicable Date and assuming no Shares are issued or repurchased before the 13th AGM, the Company would therefore be allowed under this mandate to repurchase a maximum of 7,684,000 Shares.

In accordance with the Listing Rules, Appendix 2 to this letter serves as an explanatory memorandum to provide Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution to be proposed at the 13th AGM to renew the mandate to allow the Directors to repurchase Shares.

Item 5 – Repurchase of Shares of the Company

The Listing Rules permit companies whose primary listings are on the SEHK to repurchase their securities on the SEHK subject to certain restrictions, the more important of which are summarised below. The Company is empowered by its bye-laws to repurchase its own securities.

1. SHARE CAPITAL

As at 11 April 2007, being the Latest Practicable Date prior to the printing of this document, the issued share capital of the Company comprised 105,116,280 Shares and on the basis that no shares are issued or repurchased by the Company prior to the 13th Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 7,684,000 Shares representing approximately 7.31% of the existing capital so as to maintain the amount of Shares held by the public to be not less than 25%.

The Directors undertake to the SEHK that the Company will only repurchase up to a maximum of 7,684,000 Shares, in order to comply with the public shareholding spread of 25% under paragraph 8.08 of the Listing Rules of SEHK.

2. REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its shareholders. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset per share and/or earnings per share of the Company and will only be made when the Directors believe that a repurchase will benefit the Company and its shareholders.

3. FUNDING OF REPURCHASES

Repurchases must be funded out of funds which are legally available for the purpose and in accordance with the bye-laws of the Company, the Companies Act, 1981 of Bermuda (the "Companies Act") and any of the applicable laws of Bermuda. Under the Companies Act, a company may only repurchase its shares out of capital paid up on the shares to be repurchased or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for the purpose.

Any amount of premium payable on a repurchase over the par value of the shares may only be effected out of funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account. Under the Companies Act, any repurchase of shares, regardless of whether it is repurchased at a premium or not may only be made if at least two Directors of the Company declare on the date of the repurchase by affidavit that, taking into account the proposed repurchase, the Company is solvent or that its creditors have consented in writing to the purchase.

An exercise of the Repurchase Mandate in full at any time during the proposed purchase period could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31 December 2006, being the date of its last audited accounts.

The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

4. SHARE PRICES

The highest and lowest prices at which the shares have traded on the SEHK in each of the last twelve calendar months preceding the date of this document were as follows:

	Highest <i>HKD</i>	Lowest <i>HKD</i>
April 2006	0.5500	0.5200
May 2006	0.5500	0.5500
June 2006	0.5500	0.5500
July 2006	0.5500	0.5500
August 2006	0.5500	0.5500
September 2006	0.5500	0.4500
October 2006	0.5000	0.4500
November 2006	0.6000	0.5000
December 2006	0.6500	0.5500
January 2007	0.6500	0.5500
February 2007	1.8700	0.5500
March 2007	1.4000	1.3500

5. DISCLOSURE OF INTERESTS, THE HONG KONG CODE ON TAKEOVERS AND MERGERS (THE "CODE") AND MINIMUM PUBLIC HOLDINGS

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, their associates, have any present intention to sell to the Company or its subsidiaries any of the shares in the Company if the Repurchase Mandate is approved at the 13th Annual General Meeting and exercised.

The Directors have undertaken to the SEHK that they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and applicable laws of Bermuda.

If a shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Code. As a result, a shareholder or group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Code.

The Directors are not aware of any consequences which the exercise in full of Repurchase Mandate will have under the Takeover Code, at present so far as is known to the Directors no shareholder may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code in the event that the Directors of the Company exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

If the Company was to repurchase Shares up to the permitted maximum of approximately 7.31% of its existing issued share capital from the public shareholding, which is not presently contemplated, the pending percentage shareholding of the six Directors and the substantial shareholders, namely Pacific Union Pte Ltd and Kuala Lumpur Kepong Berhad would increase to 75%. To the best knowledge of the Directors, neither of these situations would give rise to any consequences under the Takeover Code and the Directors will ensure that the repurchase will not result in less than 25% of the issued share capital being in the public hands.
